

Leadership Bismarck-Mandan Alumni

Leadership Bismarck-Mandan Alumni Association provides many opportunities for many individuals, however, the best thing it does is renew our commitment to our Community. LBMAA keeps the leadership spirit alive by keeping us involved with each other and the community.

Our Vision: "to improve the community through our collective leadership efforts."

Leadership Bismarck-Mandan Program

Bismarck-Mandan's future is directly tied to the quality of our leadership. Our community needs people who are informed about local issues, willing to stand up for progressive actions and effective in serving on volunteer committees and organizations.

As a participant, you will gain an inside look at the inner workings of our community and develop a better understanding of the challenges facing Bismarck-Mandan.

Fifteen participants are chosen each year by a committee based on the following criteria: interest in the community's well-being; willingness to be involved in community service; potential for community leadership; ability to devote time and energy to the program; previous community involvement.

Leadership Bismarck-Mandan applications are available on-line at lbmaa.org or call the Chamber at 223-5660.

HOW YOU BENEFIT

The Bismarck-

Mandan Chamber of Commerce created the Leadership Bismarck-Mandan program. By going through this program, you will strengthen your leadership skills, broaden your understanding of local issues, connect with community resources and contacts, build mentoring relationships with current leaders and even have fun. However, most important, you will gain skills and opportunities that will equip you to

serve both your community and your business as a leader.

Leadership Bismarck-Mandan Alumni Association means a lot of things for a lot of people, however, perhaps the best thing it does is renew our commitment to our community. The leadership spirit is kept alive by keeping us involved with each other and the community.
